CITY OF SANDPOINT

**TITLE: AUTHORIZATION TO APPLY FOR A GRANT THROUGH THE IDAHO
TRANSPORTATION ALTERNATIVES PROGRAM (TAP)**

WHEREAS: The Idaho Transportation Alternatives Program (TAP) provides local communities options for how best to address local mobility and access issues that advance Idaho Transportation Department (ITD) strategic goals of mobility, safety, and economic opportunity, while maximizing the use of available federal, state, and local funds, recognizing that local mobility and access often needs different strategies and tools than statewide mobility;

WHEREAS: ITD provides a process to solicit and tie locally-identified projects and activities to potential funding, independent of federal funding categories, and enhances ITD's ability to leverage all funding sources for locally-sponsored projects and activities, including the TAP funding source, while seeking to improve project outcomes by providing transportation-related technical assistance and project vetting and by supporting local communities with the technical resources to prioritize and meet community needs; and

Proposed TAP Grant Application – Pine Street Sidewalks

Installation of sidewalks on both sides of Pine would extend from Division Ave to Fifth Ave. This project scope is very similar to work contemplated as part of the 2008 LID.
