

Submission guidelines

Eligibility:

This project is open to artists of all ages. Local artists and/or teams* are invited to submit an original painted design for a hydrant.

Design Requirements:

1. Paint is the only material allowed in the design. Attachments glued on or otherwise are not permitted.
2. Prohibited designs are any dealing with sex, politics, religion, or death. Keep it family friendly. Hydrants may not be painted any patterns that hide the hydrant from plain view.
3. Hydrants are first and foremost safety devices and must be kept functional for firefighters.

Submission Requirements:

1. Submit a sketch of your proposed design (front, back sides). Colored renditions only. All submissions should be made on standard 8.5x11 paper accompanied with an entry form found attached.
2. A template of a hydrant is attached.
3. Submissions will only be accepted by email. The email address is mbethel@sandpointidaho.gov
4. Selected artists will be notified by email or phone by March 1, 2017.
5. Selected artists may begin work at a date to be determined.

Think Creatively!

Possible design ideas are: water scenes, abstract, flowers, animals, famous people, aquatic life, music, and movies.

*Teams will be awarded one check in the amount of \$150.00 per team.
